

Ketochem®

Lightweight ketone resistant glove

KETO

Sectors:

- Engineering and Manufacturing

Packing

1 pair per zip lock bag / 10 pairs per case

Features

Design: Unique formulation provides exceptional protection against a wide range of aggressive solvents.

Protection: Excellent resistance to ketones, including MEK and acetone as well as aromatics such as toluene.

Economical: Performance equivalent to high performance butyl and fluoroelastomer products at a more cost effective level.

Comfort: Smooth non-textured material and anatomical shape ensures comfort and flexibility, and reduces hand fatigue.

Sensitivity: The lightweight unsupported glove construction feels like a second skin and results in greater tactile sensitivity.

Code	KETO
Colour	Blue
Sizes	9-11
